Get Listed!!!

Only R600 a year!!!

Click on the "read more" link to find out how

Get listed on Kosi Bay Accommodation for only R600 a year and receive all the benefits listed below.

Why get listed?

No Commission required

Direct contact with the client. As a paid listing client, we put your contact details on your listing. We also create a contact form for your establishment. Using a contact form means that your e-mail address won't get spammed from our site. Having your own contact form also means that enquiries are forwarded directly to you and do not go through a central reservations system. You therefore do not pay us commission or any other excess on any of your bookings! Just a once off yearly fee.

Mini Website and Gallery

As a paid listing client, we create your listing as a 'mini website' to best represent your establishment, with a write up of your establishment, facilities, area activities, driving directions and a mini gallery of up to 18 images. In addition, since we are experts in SEO, we also optimize each listing with search engine friendly keywords and links throughout your listing to other helpful and beneficial, tourist-drawing information about the area. For example, we would link to our Kosi Bay South Africa , that provides information about the tourist attractions and "to see" and "to do's".

Profile and Maximum Exposure

We market our site for various events happening in the area, bringing tourists into the area.

We are developing other sites linked to ours and they are quickly moving up on the google search engine ranking. Our Richards Bay Accommodation website ranks No.1 on Google when typing in the keywords "Richards Bay" or "Richards Bay Accommodation". We are continuously developing and growing our sites and we anticipate all of our sites reaching that no.1 position!

Our accommodation sites are interlinked, so if someone was looking to holiday in the Elephant Coast region and found our Kosi-Bay-Accommodation site, he might follow the link to our Kosi Bay Accommodation site and so forth.

Our popular Zululand Zig Zag site (the portal of Zululand information, history, maps, events etc), is also linked to our accommodation sites. Visit <http://www.zululandzigzag.co.za>

We also have a "Specials" page with a space for each establishment. All you need to do as a paid listing client is submit any particular specials you may be running during a month or season and we will gladly post them for you. We will also market specials and news listings in our electronic newsletters.

We will list your establishment under all the relevant categories pertaining to your particular services at no extra cost, example "Kosi Bay Lodges", "Kosi Bay bed & breakfasts", "Kosi Bay self-catering". Where possible, we will also give your service as much profile as possible, and list other services you may offer under their various categories such as events, group bookings, conferences etc.

Online Bookings!!! - Yippee!

We have also added a new feature to our Accommodation websites (first featured on Kosi Bay Accommodation)... Online bookings! Yes finally our popular accommodation listing websites, loved for their user-friendly interface, offer online bookings! You can get your establishment signed up for the online booking facility in addition to your regular paid listing, which is also a fixed yearly fee.
